One day experience

The one day Ancient Greece experience is a path which gives to everyone and especially to greek schools, passionate and tourists the opportunity to re-discover the Ancient Greek culture through literary and artistic original actions strictly related to its history, costumes and traditions.

The event is organized from October to April for greek schools and from May to October for groups, tourists and passionate..

Olimpia, Athens, Delphi, Epidaurus, Mycenae, Corinth, Messene, Eleusi, Argos and Nemea are the archeological sites and location which we visit during this path (<https://www.efae.gr/cultural-routes>). You can choose one or more of the above locations and participate to the cultural guided visit, to the historical representations, such as: theater as well as dancing, music performances and artistic workshops.

The one day experience is an historical-mythological-philosophical journey strictly related to Ancient Greek poetry, literature, theater, music, sculpture, art and sport. Here, on each one of the above locations, we have the opportunities to explore, investigate and deal with actual topics about the relation with oneself and the others for the common wellness, all this is connected to the huge history of the Greek gods and goddess as well as with the philosophers and historians of the times.

A group of actors, musicians, culturale guides, wellness coach, experts, will guide us during this amazing experience.
